Dear Sir:

DECLARATION UNDER 37 C.F.R. § 1.131

I, the undersigned patent agent, Teresa M. O'Connor, hereby declare as follows:

1. Attached is a letter (Exhibit A) dated prior to August 27, 2001, that enclosed a final draft of the present application my firm sent to the Client (Assignee of record) for filing at the U.S. Patent and Trademark Office. All masked dates in Exhibit A are prior to August 27, 2001. The signing attorney Patricia Verlangieri is no longer at our firm. Our file does not reflect that our firm made any changes to the specification of the present application after submitting the final draft of the application to the client in the letter of Exhibit A through the date of the actual filing of the application by the Client on September 21, 2001. Also, our file does not reflect that our Client made any changes to the specification of the present application prior to the date of filing the application on September 21, 2001.

2. Subsequent to mailing of our letter (Exhibit A), we received from the Client a letter (Exhibit B) with an enclosed copy of the filing receipt for the present application.

Confidential information not relevant to the invention date of the present application is masked. There is no indication in our files that the specification of the present application was modified from a date prior to August 27, 2001 through the date of actual filing on September 21, 2001.

3. In view of the above, to the extent reference *Collins* (US Patent No. 6,723,219 B2) is relied on by the Examiner in the rejection of pending claim 24, the subject matter disclosed by *Collins* was possessed by Applicant prior to August 27, 2001, and was included in the final draft of the present patent application from a date prior to August 27, 2001, and which was subsequently filed on September 21, 2001.

4. The undersigned, Teresa M. O'Connor, hereby declares that all statements made herein of her own knowledge are true and that these statements made on information and belief are believed to be true and further that these statements were made with knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of this application or any patent resulting therefrom.

Dear Todd:

Enclosed for your records is a copy of the PTO's official filing receipt for the above-identified patent application. Please review this filing receipt, if you notice any inconsistencies, please use your own judgment as to filing a request for correction in the PTO, advising us of such action.

If an IDS has not yet been submitted to the PTO for this case, would you please prepare and file one; or give me a note for the file if an IDS is unnecessary. If an IDS has been prepared and filed, please disregard this paragraph.

Thank you for your continuing assistance.

Very truly yours,
